

Process Tech

sales and service

Manufacturers' representative and distributor of process control and monitoring instrumentation.

Annunciators
Lamp Boxes
Graphic Displays
Sequence Event Recorder
I.S. Barriers, I.S. Pushbuttons
Engineered Solutions

Rosemount Analytical Liquid
PH *Conductivity* Resistivity* DO* Chlorine
*Dissolved Ozone
Combustion
O₂*CO*SO₂*NO_x*CEMS*Opacity
Gas Chromatography, Positioners, Transmitters,
Flow Meters, Hart 475

Sample Pumps and Coolers
Sample Probes
Sample Filters
Oil and Water Coolers
Moisture Detectors

Refrigerant Monitoring System
Freon, Ammonia, CO₂
Compliance Refrigerant Monitoring
ANSI/BSR ASHRAE 15 1994/2001

Combustible Gas Detection
H₂S, Carbon Dioxide, Toxic
Flame UV/IR
Fire Monitoring
Total Monitoring Solutions
Field Mounted Displays

Flame Scanners
Detectors
Igniters, Alarms &
Sources for UV & IR Measurements

RTD's
Thermocouples
Thermowells
Temperature Indicators
Temperature Calibrators

Ambient Air Monitoring System for Humidity
Dew Point Transmitters
CO₂
Moisture Transmitters
Pressure Transmitters

Line & loop-powered Indicators &
Rate Totalizers
Temperature Indicators & Controllers,
Digital Pressure Gauges
Large Display Indicators
Multi-channel Controllers
Mounting options available:
Panel, Field, & Surface.

Power and productivity
for a better world™

Electric & Pneumatic Controllers
Circular Color Pen Chart Recorders
Flow Meters
V.A. (Rotometers)

Bimetal Thermometers
Glass, Gas, Vapor Actuated
Thermometers
Pressure Gauges & Diaphragm Seals
Surface Mount Thermometer

Pressure, Level,
Temperature Transmitter
Gauges for the Sanitary Process

1531 Stuyvesant Avenue
Union, NJ 07083
